The problem

Buyers can't tell "we do lead generation"; apart from what your competitor says.

01

Name the result

Qualified meetings with decision makers,
not vague "growth";.

02

Show the path

Steps the buyer can see: what you'll do and why.

03

Remove the fear

A small trial, or a guarantee tied to what you control.

04

Name the offer

A clear name that's easy to repeat and pass on.

Example format

Qualified meetings with decision makers in your sector within 90 days, or we keep working with you at no extra fee.
