01

Warm outreach

Your network and people who know you.
Fastest and highest trust.

02

Content

Free content that proves your expertise before you ask for anything.

03

Cold outreach

Direct messages to people who don't know you, with solid research.

04

Paid ads

Paid ads. They need a proven offer first.

The rule

Pick one channel for your stage. Don't add another before you get a steady result.

In Saudi Arabia

Start with the first, then the third with deep research. Trust starts with the relationship.
